

Information for groups

Your group excursion to Lake Königssee

- **10% group discount on the round-trip rate** for groups of 20 or more people paying in full.
- Due to high demand, groups of 20 or more people should register very **early** (at least three days before departure) in order to get on a boat without waiting and, if possible, at the desired departure time. Contact: +49 8652 9636 14, koenigssee@seenschiffahrt.de Larger groups (75+ people) must be divided across several boats. Last-minute reservations can only be made by phone.
- If the number of people reserved is reduced, this only needs to be notified if the number of people falls below 20.
- Tickets must **be collected at the ticket office no later than 30 minutes before the reserved time**, otherwise the reservation will expire (however, we will try to arrange a later trip depending on the current booking situation).
- Groups that have made a reservation receive priority service; the group leader can go to the front of the queue at the ticket office. You can pay for the group tickets at the ticket office in cash or by card.
- Please distribute tickets to the group members before boarding.
- If you are late, cannot travel, or if other changes occur, please inform the dispatcher by calling +49 8652 9636 96.
- **Unfortunately, it is not possible to make a reservation for the return trip.** We will try to have your group board the same boat for the return trip. On days with a high volume of visitors, however, larger groups may have to be divided between several boats on the return journey. However, you can minimize waiting times if you return to the lakefront before 2.30 p.m.
- **The busiest times at Lake Königssee are the summer holidays, weekends in summer, public holidays, long weekends,** and usually the first nice day after a rainy period.
- The **journey from the lake to St. Bartholomä takes approx. 35 minutes.** You should allow about 15–20 minutes to visit the world-famous pilgrimage church in St. Bartholomä. In total, a visit to Lake Königssee takes at least 1.5 hours.

Information for groups

One request: **Please do not plan your stay at Lake Königssee too tightly.** Depending on the date and time of travel, bottlenecks can occur on the outward and return journeys. In our experience, the lack of restrooms on board the ships means that a lot of time is lost by tour groups visiting restrooms.

Additional information for you at a glance

- In summer, our boats depart **approximately every 10 to 15 minutes after the first boat has left**, but at least every 30 minutes.
- **All dogs**, regardless of breed and size, are required to wear a muzzle. Assistance dogs and guide dogs are exempt from the muzzle requirement. **Dogs that are known to be aggressive will not be transported.**
- **Year-round operation** in heated electric boats (except December 24 and during icy periods).
- Each boat can carry approx. 75 people.
