

Information for families

Children's discounts (only scheduled trips):

- ☼ Children up to 5 years of age travel free when accompanied by an adult.
- ☼ Children from 6 to 17 years old receive a 50% discount on the adult price*.

Family discount (only Grand tour and Southern tour):

When accompanied by a full-paying adult (Mum, Dad, Grandma or Grandpa), the first own child or grandchild, from 6 to 17 years old, pays children's rate. All further children/grandchildren from 6 to 17 years old pay only 1,00 € each. As part of the family discount, we transport children's bicycles free of charge.

Transport of buggies and bicycles:

- ☼ Kid's buggies are generally transported free of charge.
- ☼ Bicycles are transported for a small fee. Bicycles can only be transported on Lines A and B. These lines are served by the larger boats with catering. On some days, however, on Line B a small boat is used, then bicycle transport is not possible (due to blocking of the escape routes).
- ☼ Bicycles with kid's trailers are also transported. The fee is payable only for the bicycle. Boarding the boats with a bike trailer can be a little problematic. To make boarding across the narrow piers smooth, the trailer must be separated from the bicycle.

Please understand that it is not possible to take unlimited buggies and bicycles. This is always dependent on the passenger volume.

Children's play facilities:

The two identical vessels MS TEGERNSEE and MS ROTTACH-EGERN have a play ship on the outdoor deck. These boats operate on Lines A and B (large round trips). Sometimes, Line B is served by a small boat with no children's play facilities.

Catering on board:

There is catering available onboard on the Grand tour - Line A and usually also Line B. Here, you can buy ice cream, drinks and snacks.
