Times marked with \* enable connecting trips from Tutzing to Starnberg (Northern tour) and Seeshaupt (Southern tour).

- Ships with this icon are equipped to accommodate disabled passengers.
- Ships with this icon offer bicycle transport (limited number).
- Ships with this icon offer gastronomic services on board.
- Ships with this icon have a beverage vending machine.

Which ship is operating which course please see [www.seenschifffahrt.de](http://www.seenschifffahrt.de) for details.

Please buy your ticket on the ship.

- Passengers are allowed to disembark and re-embark during the round tours. This is not possible on single tours.
- In the event of fog, storm, flood or other unforeseeable events, please consider that there might be delays or cancellations.
- Unforeseeable events (e.g. windy weather, many swimmers around the pier, technical defects) may force the skipper not to land at a pier for safety reasons.
- The fare regulations and conditions of transport of the Bayerische Seenschifffahrt GmbH apply.

We reserve the right to make changes!
